

Welcome to The Zoroastrian Connection's (ZC's) Fun group

ZC Background:

ZC as a brand stands for Community based Networking with a Purpose. Each ZC group serves a specific purpose, to benefit our group members, and thereby our community at large. We want to make a real difference with the services and platform we provide on each of our differently themed groups. We started operations in 2017 and have since grown in size, popularity and credibility. We continue to be on a roadmap to expand the ZC group in times to come. We thank each and every one of our patrons for their unwavering support and cooperation over the years and we hope to garner more interest and momentum in our groups and initiative, in the future.

ZC's Fun group is an initiative to get us Zoroastrians closer to each other, in order **to have some fun. This group is created to help us unwind, enjoy yourselves, showcase our talents and to lift our spirits.**

Let's please keep the shares and chats, positive, inspiring and enjoyable.

This group is not meant to promote one's business or to network professionally but if you wish to register your business or to network professionally via our website, please contact Mafrin Commissariat (Founder Member) - +447384741018

- **Who can join this group?**

Inter-religious married couples and their families, who have a Zoroastrian connection, are welcome to join the Group. We don't discriminate against any Zoroastrian on the basis of the personal choices that they or their family members have made in life. We believe in spreading happiness and helping all our fellow Zoroastrians in any way we can. So let's join together in bonding over some fun and enjoyment.

- **What can you share on the group?**

- **We encourage you to exchange clean jokes, light-hearted videos, inspirational quotes, music shares, and positive informative articles. Anything that is positive and may be enjoyable to others on the group.**

- Any **audio video clips** where members would like to **showcase their talents**, hobbies and interests are welcome. For e.g. audio or video clips of members singing or any art or craft hobby based videos.

- **If you are sharing news based articles or videos please ensure that they are positive or fun, or else please refrain from sharing them on this fun group.**

- **No Political or propaganda-based shares** on this group. (e.g. no making fun of political leaders, since we respect everyone's political choices and preferences in a democracy)

- **Repeat forwards**: We request all of you to try and check if a forward, has not already been shared on the group, before you decide to share the forward. Members must not be bothered by the same forward messages being repeated over and over again. Please share responsibly and in a considerate manner.
