

Welcome to The Zoroastrian Connection's (ZC's) Quiz and Games group

ZC Background:

ZC as a brand stands for Community based Networking with a Purpose. Each ZC group serves a specific purpose, to benefit our group members, and thereby our community at large. We want to make a real difference with the services and platform we provide on each of our differently themed groups. We started operations in 2017 and have since grown in size, popularity and credibility. We continue to be on a roadmap to expand the ZC group in times to come. We thank each and every one of our patrons for their unwavering support and cooperation over the years and we hope to garner more interest and momentum in our groups and initiative, in the future.

The Zoroastrian Connection Quiz and Games group is an initiative to jog our grey cells moving, to showcase our knowledge of the world and to enhance our motor skills and abilities by playing entertaining games.

The purpose of this group is to get us to challenge ourselves via quizzes and games, and to display a healthy competition with our fellow members, while having fun. We at ZC recognise, acknowledge and motivate our Quiz Winners, via recognition and prizes.

ZC's Quiz and Games group guidelines are listed below. These guidelines apply to all members belonging to our ZC groups. Please refrain from sharing the below guidelines with anyone outside of this group.

DO's –

- **You are encouraged to participate in games on the group app, as a means to unwind and to challenge yourself.**
- **You can share riddles on the group from time to time** (in the non-quiz hours) to keep yourself and other members' engaged and to have some light-hearted fun.

- Admins will be fair and equal to all in their handling and scoring of the quiz sessions. **Please respect their decisions as final.**

- **Before engaging with other members on the group, we advise all members to do their own fact checking and do not blindly trust other members who you may not know personally.** When unsure, it's always best to check with admins over personal messages and to also do your own checks, and then take any action(s) at your own discretion.

- **ZC Meetups:** ZC Group Admins will organise get-togethers annually and members will be intimated in advance. If any members are interested in meeting each other through self-organised meetups, they may do so. Needless to say, admins are not responsible in any way for such meetups.
